Each item of information contained in this IDS was first cited in the German Patent Office Office Action (copy enclosed) in a counterpart foreign patent application dated March 19, 2003. A copy of each listed documents is attached. Applicants respectfully request that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached PTO Form 1449. No translation of the German Reference No. 86 32 373 exists. However, Applicants informed the undersigned that the German Patent Office Action states that the reference teaches generally sealing covers.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "Prior Art." If it should be determined that any of the listed documents do not constitute "Prior Art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should any of the documents be applied against the claims of the present application.

If there is any additional fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 50-0310.

Respectfully submitted,
